

Evaluation of Co-Teaching Instructional Approaches

Directions: Reflect on your practice of co-teaching. Put an X in the box that illustrates the frequency of an instructional approach. Write about the success of the approach and/or areas for improvement.

Instructional Approach	Always	Sometimes	Never	What made this approach successful?	What improvements and additional professional development is required to increase the success and/or use of this approach?
Team Teaching					
One Teach, One Support					
Parallel Teaching					
Center or Station Teaching					
Alternative Teaching
